What is a Data Breach?

- A breach of security leading to the **accidental** or **unlawful destruction, loss, alteration, unauthorised disclosure** of, or **access to**, personal data transmitted stored or otherwise processed.

- Article 4.12 of the GDPR

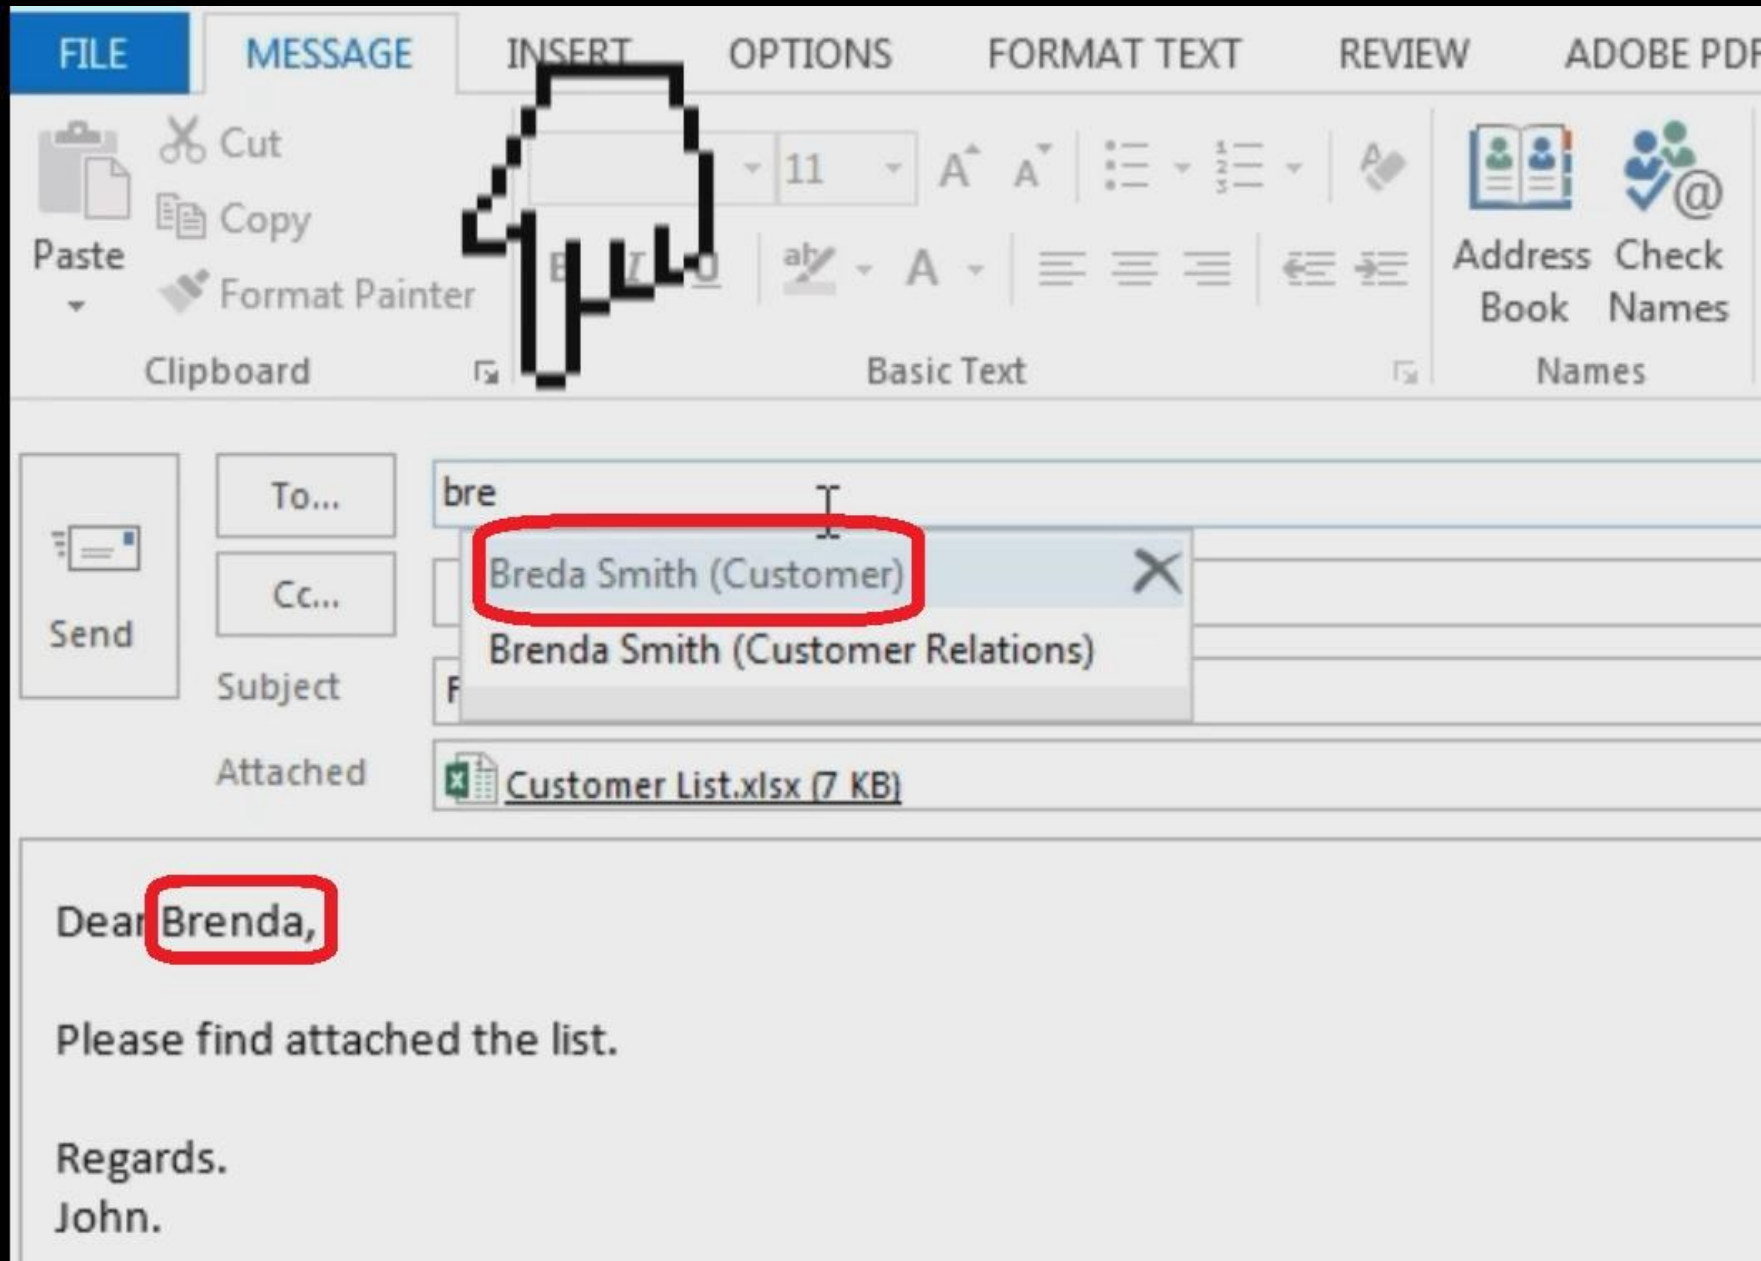

Why is it important?

- In the case of a personal data breach, the controller shall without undue delay and, where feasible, not later than 72 hours after having become aware of it, notify the personal data breach to the supervisory authority ...

- Article 33.1 of the GDPR

The screenshot shows an Outlook email window. The ribbon at the top includes FILE, MESSAGE, INSERT, OPTIONS, FORMAT TEXT, REVIEW, and ADOBE PDF. The MESSAGE ribbon is active, showing options like Cut, Copy, Paste, and Format Painter. The email header shows the 'To' field with 'bre' and a dropdown menu with 'Breda Smith (Customer)' and 'Brenda Smith (Customer Relations)'. The 'Cc' field is empty. The 'Subject' field is partially visible with the letter 'F'. An attached file 'Customer List.xlsx (7 KB)' is shown. The email body starts with 'Dear Brenda,'. The word 'Breda' in the dropdown and 'Brenda' in the salutation are circled in red.

Data Breaches – Some examples that might surprise you

Ooops, your files have been encrypted!

English

not so enough time.
You can decrypt some of your files for free. Try now by clicking <Decrypt>.
But if you want to decrypt all your files, you need to pay.
You only have 3 days to submit the payment. After that the price will be doubled.
Also, if you don't pay in 7 days, you won't be able to recover your files forever.
We will have free events for users who are so poor that they couldn't pay in 6 months.

Ransomware attack

Your files will be lost on

1/8/1970 00:00:00

Time Left

00:00:00:00

Contact

If you need our assistance, send a message by clicking <Contact Us>.

We strongly recommend you to not remove this software, and disable your anti-virus for a while, until you pay and the payment gets processed. If your anti-virus gets updated and removes this software automatically, it will not be able to recover your files even if you pay!
